

Whiteheads Luxury Lined Ready-made Curtains

Eyelet Heading Alteration Service

We can shorten your curtains to your required drop. When ordering please specify the required drop to the nearest cm. We can also convert pencil pleat headings to eyelet heading by placing eyelets through the pencil pleat tape. A choice of colours is available, please specify when ordering. Please note that eyelet curtains should always be dry cleaned.

A decorative alternative for curtain poles, eyelet headings are suitable for all curtain fabrics. Eyelets are available in 4 colours shown below. The rings have an internal diameter of 40mm and are suitable for poles with a diameter of up to 30mm.

Measuring for Eyelet headings

Measure from the top of the pole to where you wish the bottom of the curtain to finish and add 3cm. It is important that the 3cm is included in the curtain drop quoted on the order form as eyelet headed curtains stand 3cm above the curtain pole.

	Width x Drop - Packed in Pairs	RRP £
Alteration Services	117cm width pair (46")	£20.00
	168cm width pair (66")	£25.00
